Alberta Advantage Immigration Program - Accelerated Tech Pathway Eligible National Occupational Classification (NOC) codes (effective as of November 16, 2022)

As of November 16, 2022, the federal government has updated the National Occupational Classification (NOC). 4-digit NOC codes are now 5-digit codes. Some occupations on the Accelerated Tech Pathway eligible occupations list have been split into new NOC codes or merged into a NOC code. The NOC 2016 skill type and skill level structure (NOC 0, A, B, C and D) has been replaced with a NOC 2021 6-category system representing training, education, experience and responsibilities (TEER).

The NOC 2021 applies to all AAIP applications submitted on or after November 16, 2022. The list of eligible occupations has been updated to the NOC 2021.
