Alberta 2030 Stakeholder Engagement Journey

**Supporting analyses**

- **Issues Analyses**
  Ground perspectives across five objectives (and starting point) and provide basis for discussion and input from stakeholders

- **Strategic Design Choices**
  Frame key decisions around post-secondary system archetypes which inform overall Alberta 2030 strategy

- **Draft Strategy, Outcomes Framework & Roadmap**
  Present first integrated view of Alberta 2030

- **Alberta 2030 Strategy**
  Present final strategy, business case, governance framework and execution roadmap

**Stakeholder engagement**

- **Interviews (140+)**
  Gather initial hypotheses, perspectives and concerns

- **Roundtables (25+) and Guiding Coalition**
  Review & react to Issues Analyses; discuss & debate options; provide input

- **Website and Direct Submissions (on-going)**
  Provide information updates; invite input (quantitative and qualitative)

**Townhalls (6)**
Playback input and perspectives, share strategic themes and options, provide facts and benchmarks, invite new input

**Summit (1)**
Frame Alberta 2030 Declaration
