

Sponsoring Body Approval Form

Alberta Approved Farmers' Market Program

Market sponsors are not-for-profit community organizations committed to the development and long-term success of an approved farmers' market in their community. The farmers' market is a **committee** of the sponsoring organization and, as such, is not a legal entity in its own right. Sponsors should be actively involved in providing direction to the overall operation of the market. This may include but is not limited to:

- helping the market form an advisory committee to direct and advise on day-to-day operations;
- providing a board member to be the liaison between the advisory committee and the sponsor's board of directors;
- overseeing the operation of the approved farmers' market;
- helping establish the rules and processes of the approved farmers' market, ensuring vendors have meaningful input into the formulation of the operating rules and processes;
- the recruitment, selection, performance review and discipline of the market manager;
- determining and/or advising on the remuneration of the market manager;
- encouraging and/or financially supporting yearly educational opportunities for the market manager so as to further his/her professional development;
- encouraging vendor participation on the advisory committee;
- ensuring records required by the Program to keep the market in good standing are maintained and submitted to AF;
- ensuring the approved farmers' market and its vendors adhere to all legislation and regulations; and
- ensuring the approved farmers' market is either insured or indemnified against liability.

The sponsor is ultimately responsible and accountable for the activities of the approved farmers' market.

I have read and understand the expectations of a sponsoring organization.
