

- Rationale for classifying as essential service workers:

- Attach your corporate COVID-19 plan describing precautions to keep workers safe. If you do not have one, a template is available at: <https://www.alberta.ca/guidance-documents.aspx#toc-2>
- Optional: attach the designated accommodation COVID-19 plan (hotel's COVID-19 policy or a letter stating how they will support your employees):
- Travel arrangements to and from worksite, and to and from the airport/land border:
 - Provide a plan that may include travel requirements such as, but not limited to:
 - Mask wearing while traveling or when unable to social distance
 - Frequent hand hygiene
 - Attempting to social distance at all times
 - Use pay at the pump to obtain gas
 - Obtain food at drive through locations and
 - Contactless car rentals, taxi/rideshare (find guidance here: <https://open.alberta.ca/publications/covid-19-information-guidance-for-taxis-limos-rideshares>)
 - Do not use public transit
