Draft K-6 Curriculum Review – December 2020

Overview

Faculty of Education deans and professors from Alberta's post-secondary institutions are reviewing the draft Kindergarten to Grade 6 curriculum based on their expertise in academic research and best practices in elementary education. Their role is to provide advice and recommendations during the drafting step. They are not endorsing the draft curriculum by participating in this step. Some individuals have participated in previous curriculum working groups or focus groups.

NAME	Post-secondary Institution	SUBJECT	PREVIOUS MEMBER
