

Rapid screening tests in schools program

Results and testing schedule

Last Updated: May 5

Accumulative

Positive results from rapid tests are considered preliminary and must be confirmed with a lab-based test at an Alberta Health Services assessment centre

Period from March 18 to April 30

Schools tested	Rapid tests conducted	Preliminary positive results	Region
22	7,894	33	Calgary/Edmonton

Preliminary results by date range

Positive results from rapid tests are considered preliminary and must be confirmed with a lab-based test at an Alberta Health Services assessment centre.

As the majority of schools have had two rounds of testing, a school may be included in more than one date range listed below.

Preliminary positive Results	Tested	schools	City	Date
5	998	5	Edmonton	April 26 - 30
9	2493	14	Calgary	April 26 - 30
11	1600	8	Calgary	April 19 - 23
6	1,851	4	Calgary	April 8 - 16
2	952	2	Calgary	March 18 - 29
