**Negative Results**

If your child has been tested for COVID-19 and the result is negative, you can:

- Contact your child's school to determine next steps.
- Follow the guidance from your local public health authority.

**Positive Results**

If your child has been tested for COVID-19 and the result is positive, you can:

- Contact your child's school to determine next steps.
- Follow the guidance from your local public health authority.
