Commentary on 2022 Student Achievement

The following discussion addresses specific areas of strength and weakness demonstrated by students who wrote the 2022 *Grade 6 Social Studies Provincial Achievement Test*.

English and French combined student performance on the 2022 *Grade 6 Social Studies Provincial Achievement Test* was lower than in 2019, the last year in which the *Grade 6 Social Studies Provincial Achievement Test* was administered. In each of the blueprint categories except for one, there was a decline in performance. In **Democratic Principles and Ideals**, the decline was 3.85%. In the category **Structure and Function of Local and Provincial Governments**, there was an increase of 3.1%, the highest of all the categories. In **Individual, Group, and Community Involvement**, the decline, while minimal, was 0.71%. The decline in *Iroquois Confederacy* was 5.3%. The category that did show a modest upward change from the 2019 statistics was **Ancient Athens**, with a slight increase of 1.8%.

Student performance declined more significantly on the **Knowledge and Understanding** questions, which are questions that require recall of facts. The decline in this category was 3.9%. Performance on the **Skills and Processes** questions, in which students have to work with given information to determine answers, was minimally lower at 0.7%. The overall student performance on the test was lower than in 2019 by 2%. This reflects the lower achievement in most of the test blueprint categories.

Provincial Achievement Testing Program Support Documents

The Alberta Education website contains several documents that provide valuable information about various aspects of the Provincial Achievement Testing Program. To access these documents, go to the [Alberta Education website](#). Click on one of the specific links to access the following documents.

Provincial Achievement Testing Program *General Information Bulletin*

The [General Information Bulletin](#) is a compilation of several documents produced by Alberta Education and is intended to provide superintendents, principals, and teachers with easy access to information about all aspects of the Provincial Achievement Testing Program. Sections in the bulletin contain information pertaining to schedules and significant dates; security and test rules; test administration directives, guidelines, and procedures; calculator and computer policies; test accommodations; test marking and results; field testing; resources and web documents; forms and samples; and Provincial Assessment Sector contacts.

Subject bulletins

At the beginning of each school year, subject bulletins are posted on the Alberta Education website for all provincial achievement test subjects for grades 6 and 9. Each bulletin provides descriptions of assessment standards, test design and blueprinting, and scoring guides (where applicable) as well as suggestions for preparing students to write the tests and information about how teachers can participate in test development activities.

Examples of the standards for students' writing

For provincial achievement tests in grades 6 and 9 English Language Arts and Français/French Language Arts, writing samples are designed for teachers and students to enhance students' writing and to assess this writing relative to the standards inherent in the scoring guides. The exemplars documents contain sample responses with scoring rationales that relate student work to the scoring categories and scoring criteria.

Previous provincial achievement tests and answer keys

All January provincial achievement tests (parts A and B) for Grade 9 semestered students are secured and must be returned to Alberta Education. All May/June provincial achievement tests are secured except *Part A* of grades 6 and 9 English Language Arts and Français/French Language Arts. Unused or extra copies of only these *Part A* tests may be kept at the school after administration. Teachers may also use the released items and/or tests that are posted on the Alberta Education website.

Parent guides

Each school year, versions of the [Alberta Provincial Achievement Testing Parent Guide](#) for grades 6 and 9 are posted on the Alberta Education website. Each guide answers frequently asked questions about the Provincial Achievement Test Program and provides descriptions of and sample questions for each provincial achievement test subject.

Involvement of teachers

Teachers of grades 6 and 9 are encouraged to take part in activities related to the Provincial Achievement Testing Program. These activities include item development, test validation, field testing, and marking. In addition, arrangements can be made through the Alberta Regional Professional Development Consortia for teacher in-service workshops on topics such as interpreting provincial achievement test results to improve student learning.
