Ministerial Authorization
For Importation of Hazardous Waste Storage
(Waste Control Regulation, Section 15.1)

Address to: Executive Director of Land Policy Branch
Alberta Environment and Parks
10th Floor, Oxbridge Place
9820 – 106 Street
Edmonton, Alberta
T5K 2J6

Inquiries to: Waste Policy Branch
Tel: (780) 427-3081 or above address

Required Information

1. Receiver's name and address. Contact person, telephone and fax number.
2. Location(s) in Alberta, which will receive imported material.
 - a. Type of material to be handled at each site.
 - b. Provide the Permits/Licenses/Approvals held or applied for at receiving locations from any regulatory agency.
3. Provide a description of the waste for importation (e.g., classification, source, and phase).
4. Estimated the annual amount to be imported for storage (e.g., operating capacity utilized by imports).
5. A general description of hazardous waste to be transferred off-site, name and location of receiver(s).

Desirable Information

1. Economic value of waste. Importance of waste to facility viability. Any incremental new investment required to handle imported fraction.
2. Incremental environmental impact resulting from storing imported material.

Note: A hazardous waste manifest is required for all transborder shipments; therefore, a Personal Identification Number (receiver number) will also be required. Applications for this number can be obtained from the Waste Policy Branch.
