

Facilities List

Alberta Facilities that Accept Hydrovac Waste

Water and Waste Policy

Information in this document may change. Please contact the facility directly for the most up to date information.

Facilities with authorizations that begin with 'WM' are regulated by the Alberta Energy Regulator (AER). For questions related to these facilities please contact the facility directly or the AER.

Lower Athabasca Region				
Authorization	Company Name	Location	Contact Information	Acceptable Material
00421965	Fort McMurray Hydrovac Waste Receiving Facility	Regional Municipality of Wood Buffalo 820 Memorial Drive Fort McMurray	780-791-0326	Contact facility directly
WM 212	Pure Environmental Waste Management	Fort Kent (9-14-063-04-W4M)	587-792-0855	A hazardous waste management facility
WM 182	White Swan Environmental LTD	Atmore West Waste Management Facility (NW 23-067-18-W4M)	Facility Managers: Brad Charland 780-404-6799; Dean Steel 780-404-6799	Contact facility directly
WM 197	White Swan Environmental LTD	Conklin Waste Management Facility (15-12-077-09-W4M)	Facility Managers: Cody Lundy 780-404-6499; Tony Monteith 780-404-6499	Contact facility directly
