

RECORD OF DECISION – CMOH Order 09-2021 which modifies CMOH Order 08-2021

Re: 2021 COVID-19 Response

Whereas I, Dr. Deena Hinshaw, Chief Medical Officer of Health (CMOH) have initiated an investigation into the existence of COVID-19 within the Province of Alberta.

Whereas the investigation has confirmed that COVID-19 is present in Alberta and constitutes a public health emergency as a novel or highly infectious agent that poses a significant risk to public health.

Whereas under section 29(2.1) of the *Public Health Act*, I have the authority by order to prohibit a person from attending a location for any period and subject to any conditions that I consider appropriate, where I have determined that the person engaging in that activity could transmit an infectious agent. I also have the authority to take whatever other steps that are, in my opinion, necessary in order to lessen the impact of the public health emergency.

Whereas having determined that some of the measures in Record of Decision – CMOH Order 08-2021 can be modified and yet still protect Albertans from exposure to COVID-19 and prevent the spread of COVID-19, I hereby make the following order which modifies Record of Decision – CMOH Order 08-2021:

Effective April 8, 2021, the following sections of Record of Decision – CMOH Order 08-2021 are rescinded:

- Section 51(b);
- Section 71(b); and
- Section 87.

Signed on this 8 day of April, 2021.

Deena Hinshaw, MD
Chief Medical Officer of Health
