

Public warning – release of high-risk inmate

In the interest of public safety, the Calgary Police Service is issuing the following public information and warning in regards to the release of an inmate on completion of his sentence.

Luke ENTZ completed his incarceration earlier today, Tuesday, Sept. 26, 2017, and will be residing in the Calgary area.

Due to a court order we are unable to provide specific details of his convictions. However, CPS believes Mr. ENTZ presents a risk of significant harm to the community, especially males (of different age groups).

Upon his release, ENTZ will be monitored by the CPS Specialized Offender Management Program.

Luke ENTZ, 20, is 5'8" tall, approximately 135 pounds, and has brown hair and blue eyes. A photograph of ENTZ is available on The City of Calgary Newsroom.

The Calgary Police Service is issuing this information and warning after careful deliberation and consideration of all related issues, including privacy concerns, in the belief that it is clearly in the public interest to inform the members of the community of the release of ENTZ.

Members of the public are advised that the intent of the process is to enable members of the public to take suitable precautionary measures and not to embark on any form of vigilante action.

NOTE: This information is released under the authority of section 32 the Freedom of Information and Protection of Privacy Act, S.A. 1994 c.F - 18.5.
