* Two-day versions of the I-300 certificate are not acceptable, even if it displays a logo from one of the approved providers. I-300 Certificates must reflect a three-day course.

** On-line I-200 courses do not include the requisite group activities and discussions to meet the I-200 in-class prerequisite standard. ICS Canada does not accept on-line 200 as a prerequisite to I-300.

Video-delivery of ICS courses has been approved for the duration of the pandemic. Video-delivery courses including all group activities and discussions are considered equivalent to an in-class offering and may issue ICS Canada certificates for course completion.

ICS ALBERTA COURSE PREREQUISITES

Effective January 1, 2021

Not all training providers meet ICS Canada and/or ICS Alberta training standards. For a list of approved providers, see the reverse side. On-line I-200 courses may not be accepted by all organizations.

Effective January 1st, 2020, participants will be required to provide a copy of their pre-requisite certificates from approved ICS Canada providers in order to register or attend ICS Canada training in Alberta.

Prerequisites are based on the “ICS Canada Curriculum and Training Standards 2019” available at www.icscanada.ca.

There is a minimum time between I-200 to I-300 and I-300 to I-400 of five months. Instructors are not to accept students under the minimum five months without a written waiver from the Authority Having Jurisdiction.
