

**Candidates who do not apply for certification within two years after their examination are at risk of losing their credentials.**

- For training prior to 2016, official Lakeland College transcripts are required.
- Medical training qualifications must be supported with official documentation; e.g., wallet card from approved first aid training agency, ACP practice permit.
- For NFPA credentials obtained outside Alberta, a copy of the official Pro Board or IFSAC certificate must be submitted.

**NFPA 472 Competence of Responders to Hazardous Materials/Weapons of Mass Destruction Incidents**

**NFPA 472 transitioned to NFPA 1072 in June 2019. Existing NFPA 472 certifications will continue to be recognized as a valid prerequisite to other NFPA certifications. Candidates who already hold NFPA 472 certificates do not need to update to NFPA 1072. Refer to NFPA 1072 prerequisites.**

**NFPA 1001 (2013) Standard for Fire Fighter Professional Qualifications**

**MEDICAL TRAINING REQUIREMENT:** Fire Fighter levels I and II require current certification in Standard First Aid with CPR “C” or more advanced qualifications; e.g., Advanced First Aid, EMR, PCP, ACP. See Alberta Labour’s list of [approved first aid training providers for first aid training in the workplace](#).
