Completing the Child Status Report Form

This information is intended to help MEP clients complete the Child Status Report (CSR) Form. For general information about when and why MEP may conduct a Child Status review, see MEP's Information Sheet *Child Status Reviews*.

Review the form carefully

Please be sure to fully answer all the questions that apply. If any section does not apply to your situation, write N/A in the space provided.

Choosing what information to release to the other party

At the top of the first page, choose whether you allow MEP to release Part One of the CSR to the other party on your MEP file.

Part One of the CSR collects important personal information about you and your child, such as where the child is living, if they are attending school and if they have any medical conditions which affect their ability to be financially independent. **You must always complete Part One of the CSR.**

If you do not want to allow MEP to release Part One of the CSR to the other party, you must complete both Parts One and Two, and MEP will only release Part Two to the other party. Part Two of the CSR requires you to answer many of the same questions that Part One does. However, Part Two does not require you to give the same amount of personal information. It provides enough information to the other party about why MEP will continue or stop enforcing child support, but the child's and your personal information will still be protected.

If You Agree To Let MEP Release Part One of the CSR to the other party

- Check the box marked "Yes, I do".
- Print and sign your name and the date at the bottom of the first page of the CSR. If the CSR is about the status of a child who has reached the age of majority, the child must also print and sign their name in the space marked next to yours.

Use the Age Of Majority Chart to determine the child's age of majority date. If you are in doubt about the child's age of majority, contact MEP.

The child does not need to print and sign their name if they are under the age of majority.

- You do not need to fill out Part Two of the CSR.

If You Do Not Agree To Let MEP Release Part One of the CSR to the other party

- Check the box marked "No, I Do Not".
- Do **not** sign your name, or get your child to sign their name, at the bottom of the first page of the CSR.
- You will need to fill out both Part One and Part Two of the CSR.

Filling Out Part One

At the top of the second page, enter your MEP file number, the name of the child that the CSR is for, and your name in the spaces provided. Continue to Question 1.
