

Maintenance Service Worker

APS Minimum Recruitment Standards

Subsidiary Agreement: 004

Effective Date:

Stream Definition:

The work typically involves manual or semi skilled functions such as moving and repairing furnishings, sorting and packing of materials or may include assisting trades people in performing renovation, maintenance and manual tasks. Employees may use trades related skills to operate some basic machinery and to provide routine building maintenance. Work performed may require the application of definable skills not requiring journeyman certification such as locksmithing and sign painting. Duties may include organizing time, equipment and materials for specific projects or ongoing programs.
