

On the floor.

Do's and don'ts in the production areas.

Store all personal items in your locker or designated storage, never in the processing or storage areas.

On the floor do's

Keep fingernails trimmed

Use only a sealed, non-glass water bottle, stored in the designated spot

Keep your phone securely on your person and step off the floor to use it

Report any blood, vomit or bodily fluid incident to your supervisor

Tell your supervisor about needed medication or a health condition

Follow the prescribed worker traffic pattern

On the floor don'ts

No smoking or tobacco, including e-cigarettes (designated to outdoor areas only)

No eating

No gum, candy, lozenges, toothpicks, or matchsticks in your mouth

No nail polish, false nails, false eyelashes, or cosmetic enhancements

No pins, staples, or paperclips in open product areas

No personal items where they could fall into the product stream
