

Section 3, license Issue

Alberta Weed Control Act WCA Regulation

Alberta Weed Control Act Regulation, Section 3, License Issue

To receive a license, a facility must be designed, maintained, and operated in a manner that adequately controls the presence of weed seeds in cleaned seed and the environmental spread of weed seeds in cleaned seed, screenings, or dust.
(WCA Part 1 4(1), 5 (1), (2), (3), 6(1) (a), (b); WCR Part 1 3 (1), (2) (a), (b))
