

Step 1: Access Landing and Booking Page

Pre-Order vaccines?

Pre-order your influenza and COVID-19 vaccines for the 2026-2027 season by clicking **Pre-Order Now**.
Please note: Pre-ordering does not require registration on AVBS. Immunization appointments can be made based on eligibility once booking opens to all Albertans starting in early October 2025.

To pre-order your influenza and COVID-19 vaccines for the immunization season, go to the AVBS landing page or the booking page. You can proceed with pre-ordering your vaccines here. Registration is not required. Pre-order of vaccines is not an immunization appointment. You will need to book an appointment at your preferred location in AVBS or Connect Care.

1 To pre-order your vaccines for the immunization season on this page, you will need to follow the steps below:

1a *Click **Pre-Order Now** on the landing page.

OR

1b *Click the **link to pre-order your vaccines here** on the booking page.

1c *Click **Continue** on the **Collection Notice** to proceed.
Note: The collection and use of your personal information i.e., email address and phone number are required to send you a reminder to book your immunization appointment.

Step 2: Pre-Order Information

Vaccine Type

Please enter the number of individuals for each vaccine type:

COVID-19 (age 6mos to 11yrs)	<input type="text" value="0"/>
COVID-19 (age 12 and older)	<input type="text" value="0"/>
Influenza (age 6mos to 64yrs)	<input type="text" value="0"/>
Influenza (age 65 and older)	<input type="text" value="0"/>

Location

* City/Town

Contact Method

- ☐ Email
- ☐ Text message

Please ensure that the phone number you provided is able to receive text messages. Only Canadian phone numbers are accepted at this point. Standard and data rates may apply.

 Pre-Order of vaccines is not an immunization appointment. You will need to book an appointment at your preferred location in AVBS or Connect Care. A reminder to book your appointments will be sent at a later date.

[Submit](#)

3b

3a

Confirm the **pre-order details** by verifying the **city/town**, the preferred method of communication either **email or phone number**, and the **number of vaccines** you intend to receive for the next immunization season.

3b

Then click **submit** to finalize the pre-order.
Note: There is no confirmation email or SMS message sent for your pre-order of vaccines.

Step 4: Confirmation of Pre-order of Vaccines

The screenshot displays the 'Alberta Vaccine Booking System' interface. At the top, the Alberta logo and system name are visible. A blue information box states: 'Pre-ordering of vaccines for the 2026-2027 immunization season starts on September 29 and ends on December 15. Vaccines can only be pre-ordered during this period.' Below this is a progress bar with four steps: 1. Collection Notice, 2. Pre-Order Information, 3. Review & Submit, and 4. Confirmation. Step 4 is the active step, indicated by a green checkmark icon and the text 'Pre-Order Confirmed'. A large blue circle with the number '4' is positioned to the right of the confirmation message. The confirmation message reads: 'Thank you for pre-ordering your vaccines! We have successfully received your pre-order for the 2025-2026 immunization season. You will receive a reminder to book your immunization appointment at a future date. If you have questions, please call us at 811 or toll-free at 1-866-408-5465.' At the bottom, there are two buttons: 'AVBS Home Page' and 'AHS Connect Care'. A footer note at the very bottom says: 'If you are experiencing issues with the Alberta Vaccine Booking System, please try clearing your history, cache, and cookies.'

4

A confirmation of the pre-order of your vaccines is displayed on the screen.

Step 5: Reminder to book your Immunization Appt.

A reminder notification will be sent later via the email or phone number you provided during pre-ordering of your vaccines.
