

Angela Adams

Member, Alberta's Climate Change Advisory Panel

Angela Adams is a proud supporter of the Wood Buffalo region. She currently serves as a National Representative and Director of Education for Unifor. Prior to this, she spent 20 years as a heavy duty equipment operator at Suncor Energy in Fort McMurray and was an active member in her local union—the Communications Energy and Paperworkers Union, Local 707.

Ms. Adams is a strong advocate for workers' rights and has implemented many positive and meaningful changes through her work with the local union. For ten years she held the secretary

treasurer and grievance chairperson positions. She has also spent many years working with and supporting several non-profit organizations in the region. She was a trustee with the Fort McMurray Public School District for twelve years and a delegate for the Fort McMurray District Labour Council.

Ms. Adams has been a vital member and representative of her community. She leads by example and drives positive change for her community through guidance, support and encouragement.
