

Online Module 1.4	
Specialty Supplier and Specialty Assessor Roles	
Classification: Public	Albertan

What is a Specialty Supplier?

- A Specialty Supplier is another model for the provision of AADL benefits.
 - The assessor and the supplier of the AADL benefit are the same
- For Specialty Supplier benefits, AADL acts as the Authorizer based on the assessment information provided by the Specialty Supplier.

3 Classification: Public

AADL Specialty Suppliers

- AADL has Specialty Suppliers for the following benefits:
 - Breast Prostheses
 - Custom Footwear, Therapeutic Footwear, Shoe Elevations
 - Hearing Aids
 - Orthotic Benefits
 - Prosthetic Benefits
 - Respiratory Benefits
- In these cases, the client makes the choice of Specialty Supplier prior to an assessment.
- The Specialty Supplier will assess the client for the benefit, determine eligibility, supply the benefit, and submit a claim.

4 Classification: Public Mharta

AADL Specialty Suppliers

- Specialty Suppliers must meet the same requirements as AADL vendors.
 - Lists of Specialty Suppliers can be found on the AADL website at: https://www.alberta.ca/aadl-approved-vendors-list.aspx
- Specialty Suppliers can only provide benefits listed on the website

5 Classification: Public Alberta

AADL Specialty Suppliers Assessing the Client

- Specialty Suppliers employ staff called "Specialty Assessors" to conduct clinical assessments to determine eligibility.
 - Audiologists and Hearing Aid Practitioners
 - Breast Prosthesis Fitters
 - Certified Prosthetists, Orthotists and Pedorthists
 - Ocularists
 - Respiratory Therapists
- Specialty Assessors assess clients and determine general eligibility as well as benefit-specific clinical eligibility.
- Specialty Assessors must document all clinical assessments.

6 lassification: Public

Specialty Supplier Authorization Process	
Albertan	
Classification: Public	

AADL	Specialty	Suppl	iers
Asses	sment Ov	/erview	,

- 1. The client selects a Specialty Supplier from the AADL list of approved vendors.
- 2. The Specialty Supplier confirm that the client is eligible for AADL benefits.
 - a) Is the client an Alberta resident?
 - b) Do they have a Personal Health Number?
 - c) Do they have alternate funding through NIHB/DVA/WCB? d) Do they have third party insurance?

 - e) Has the client received a similar benefit from AADL in the past?
- 3. The Specialty Supplier conducts clinical and eligibility assessment.
- 4. Clinical assessment confirms need for an AADL benefit.
- 5. Specialty Assessor continues to confirm AADL general eligibility.
- 6. When clinical and AADL eligibility is confirmed, this becomes the Assessment

Alberta

AADL Specialty Suppliers Authorization Process Overview

- The Specialty Assessor:
 - conducts a clinical assessment, which includes confirming the client's general and clinical eligibility for AADL benefits.
 - explains AADL program and benefits to the client.

 - completes appropriate documentation.
 submits authorization for the benefit to Alberta Blue Cross Online Health Portal
 collects cost-share portion and/or upgrade costs from the client.

 - provides benefit to client.
- Specialty Suppliers must provide follow-up to AADL clients, which includes ongoing education and service to the client to ensure the benefit continues to meet the client's needs.

Alberta

AADL Specialty Suppliers Previous Benefits

- A client who has previously received a similar benefit from AADL may not be eligible.
- Checking the quantity and anniversary date of previous AADL benefits is used to determine the client's eligibility.
- You can find the quantity and frequency limits for each benefit in the Approved Product Lists, or APL.

AADL Specialty Suppliers Benefit Information

- Once a client's general eligibility is confirmed, the next step is to review the specific benefit information.
- Specific eligibility criteria for AADL benefits can be found in the respective program manuals and APLs.

13

Alberta

AADL Specialty Supplier Authorization

- Specialty Suppliers submit authorizations via the Alberta Blue Cross Online Health Portal.
- Clients must sign a client declaration form. It is a separate form which the Specialty Supplier must keep for the client's file.

14 Classification: Public Alberta

AADL Specialty Suppliers Client Declaration

- Every authorization created requires a signed client declaration form.
- This form details the cost-share policy and confirms that the client understands any potential financial obligations.

- · Authorizations can be updated.
- · The authorization automatically expires once the Specialty Supplier

Alberta

Specialty Supplier Provision of Benefits

- Specialty Suppliers follow the same process as all other AADL vendors after the authorization is created, including:
 - Collect the cost-share portion and/or upgrade costs
 - Provide the AADL benefits
 - Create the claim for the benefit
 - Provide follow-up to the client
- Refer to the Vendor Module 1.3 for more information about the provision of benefits.

Alberta

AADL Specialty Suppliers Follow-up Roles

- · Specialty Suppliers:
 - provide appropriate follow-up activity, such as checking and adjusting fitting;
 - provide advice to the client;
 - ensure their staff is accessible to AADL and the client;
 - ensure defective supplies and equipment are replaced;
 - honour manufacturer's warranties:
 - resolve suppliers' errors;
 - resolve promptly all errors relating to the administration of benefits; and
 - resolve claim issues.
