

Logistics Section

Overview/Description

The goal of this course is to obtain a base knowledge for personnel who may be involved in the Logistics Section. Candidates will gain knowledge and practical skills to perform in the various positions throughout the Logistics Section, to a level consistent with the roles and responsibilities outlined in the Wildfire Management Certification/Qualification Manual.

Target Audience

Individuals who will carry out the role of Logistics Section Chief on a Type 2 incident and/or Unit Leaders on a Type 1 incident.

Prerequisites

- Online Introduction to ICS I-100

Registration

Forestry Division employees register through your local training contact.

Individuals outside of Forestry Division, please contact your local or Provincial training contact.
