

# Alberta Wildfire Pilot Orientation

## Overview/Description

The online Alberta Wildfire Pilot Orientation is required for all pilots contracted to work on Government of Alberta wildfire operations.

This orientation provides:

- An introduction to Alberta's wildfire management program.
- Pilot expectations and what you can do to be prepared for assignment once hired.
- Reporting for duty and administrative component of assignment.

This orientation course is required yearly by all contracted pilots.

## Target Audience

Forestry Division employees involved in wildfire air operations and Pilots contracted to Wildfire Management Branch.

## Prerequisites

There are no prerequisites.

## Registration

Forestry Division employees can contact [htc.online@gov.ab.ca](mailto:htc.online@gov.ab.ca).

Contractors register with your local training contact.
