

# Planning Section

## Overview/Description

This course is designed to help the student to understand how each unit in the Planning Section contributes to the overall incident management team. Faculty will deliver course material and practical exercises in which the student will develop skill sets required to create some of the deliverables required by the units within an incident Planning Section.

## Target Audience

Air Forestry Division employees wishing to fill or supervise unit leader roles or support roles within the Planning Section.

## Prerequisites

- Online Introduction to ICS I-100.

## Registration

Forestry Division employees register through your local training contact.

Individuals outside of Forestry Division, please contact your local or Provincial training contact.
