Personal information collected on this form is for the purpose of administrating the Poultry Health Program under the authority of the *Hatchery Supply Flock Approval Regulation*. Information will be used to report results to you. Aggregated data may be used for disease surveillance and response planning. Collection is authorized under sections 33(a) and (c) of the *Freedom of Information and Protection of Privacy (FOIP) Act* and managed and protected in accordance with the Act. Questions about the collection of personal information can be directed to Dr. Chunu Mainali, Program Lead at 780 415 9624 or by mail at 921, 6909-116 Street, O.S. Longman Building, Edmonton, AB T6H 4P2.

If test results indicate a reportable/notifiable disease, the information will be shared with the Chief Provincial Veterinarian of Alberta in compliance with Section 57(1) of the *Animal Health Act* in order to control or eradicate disease.
