Capacity of School Authority to Support CTS Bridging Program and Participant

Program Team

Please provide the contact information for the program participant's supervisor.

Name	Email	Phone

CTS Courses to be delivered by CTS Bridging Program Participant

Identify the CTS courses and projected number of student enrolments.

Course Name	No. of Students	New or Ongoing Course

Human Resource Requirements

Please provide a description of the human resources available that will provide CTS program delivery and support.

CTS Program Facilities and Equipment

Please provide a description of the school facilities and equipment that will be used by the program participant to support the CTS program.

CTS Bridging Participant Supports

Please identify how the school authority will support the program participant's professional growth, development, supervision and continued university studies until they complete their Bachelor of Education degree and qualify for Interim Professional Certification.

Sustainability

Please identify the school authority strategies for retaining the CTS Bridging Program participant as a teacher upon completion of the CTS Bridging Program.

Partnerships

Please identify any community, post-secondary and/or business partner(s) providing relevant support to the proposal and/or CTS Bridging Program.

Challenges

Please describe how Alberta Education grant funding will alleviate any current staffing challenges. Include details of previous actions to staff the CTS position with a certificated teacher.

Salary Determination

Please identify current salary determination practices or articles in the school authority's collective agreement that recognize the CTS Bridging Program participant's previous employment experience for salary determination purposes.

Third-party Support

Please attach any letters of support from third-party participants, if applicable, indicating their role and responsibility for the project (e.g., partnerships, post-secondary institutions).

Declaration

The school authority agrees to host in-person or online site visits for Alberta Education personnel, to participate in validation activities in collaboration with Alberta Education and the partnering teacher preparation institution, to contribute to knowledge sharing activities, to provide ongoing feedback, to submit requested reports; and participate in program evaluation if requested.
