(For property owned by individuals)
All individuals who own property located in a municipality where both a public school division and a Protestant separate school division exist are required to file this notice when a property is acquired. An individual may file a notice at any subsequent time.

Consistent with the *Constitution Act, 1982* (Canada), the *Education Act* provides:

1. That individuals who are Protestant must direct their taxes in support of schools to the Protestant separate school division. A Protestant is defined as an individual who is Christian and does not recognizes the Pope as head of the Church.

2. That all other individuals must direct their taxes in support of schools to the public school division.

3. Where two or more individuals (where one or more is Protestant) own property, they must direct their taxes in support of schools to the public school division and the Protestant separate school division in proportion to their ownership. Joint owners are deemed to own the property in equal shares (e.g., two property owners, one Protestant and the other one not: 50% public, 50% separate; or three property owners all having equal shares, one Protestant and the other two are not: 66.7% public, 33.3% separate).
