

2023-24 Library System Board Grants

The Operating Grant for library system boards is based on the total population of participating jurisdictions as approved by the Minister. These grants are calculated by multiplying the combined municipal population as determined by the 2019 Municipal Affairs Population List (MAPL) by the maximum rate of \$4.75 per capita.

The Library Services grant is paid to library system boards on behalf of residents of participating jurisdictions that do not have a local municipal or intermunicipal library board. This grant is calculated by multiplying the eligible 2019 Municipal Affairs population to a maximum of \$5.60 per capita.
