

2023-24 On-Reserve, On-Settlement Grants

The Library Board agrees to offer library services to on-reserve and on-settlement populations that the Province is funding at the per capita level according to the 2019 Municipal Affairs Population List and Municipal Affairs Grants Regulation.

On-reserve and on-settlement library patrons will have access to municipal libraries that are managed by the Library Board and to all the services provided by the Province through the Provincial Network of Public Library Service. Patrons will be treated by the Library Board as local residents and will need to acquire a home library card and will be subject to local/municipal card fees if applicable.

These grants are calculated by multiplying the combined municipal population as determined by the 2019 Municipal Affairs Population List (MAPL) by the maximum rate of \$4.75 per capita.

The Library Services grant is paid to library system boards on behalf of residents of participating jurisdictions that do not have a local municipal or intermunicipal library board. This grant is calculated by multiplying the eligible 2019 Municipal Affairs population to a maximum of \$5.60 per capita.
