

2023 Assessment year request for information

Designated industrial property – linear - operators of pipelines and gas distribution

This package contains the forms and instructions you need to complete and submit your 2023 assessment year request for information (2023 AY RFI) Return. The 2023 AY RFI return will be used to prepare the 2024 Tax Year designated industrial (DI) linear property assessment notices and the provincial assessment roll in accordance with sections 292(1), 302(2) and 308(2) of the *Municipal Government Act* and parts 9-12 of The Lloydminster Charter. The 2023 DI linear property assessment will be subject to property taxes in 2024.

Depending on the municipality the linear property in, a supplementary assessment for 2023 tax year may be created. Please review “Supplementary Assessment for Designated Industrial Linear Property” document included in this RFI communication package.

Under section 284(1) (f.01) (ii) of the *Municipal Government Act* and parts 9-12 of The Lloydminster Charter “designated industrial property” includes linear property.

Contents of this package include:

- Linear Property No Change Declaration (pdf).
- 2023 AY RFI:
 - Inventory file (Microsoft Excel) with four sheets:
 - Sheet 1 – Operator information.
 - Sheet 2 - List of your Alberta Energy Regulator (AER) and self-reported **assessable** pipeline inventory that was assessed in 2022 (for taxation in 2023). The AER information has been updated to reflect the latest information.
 - Sheet 3 - List of your AER and self-reported **non-assessable** pipeline inventory that was **not** assessed in 2022 (for taxation in 2023). **All new AER pipelines licensed to your company have been classified as non-assessable. Please review these pipelines and report any changes.**
 - Sheet 4 - List of your self-reported meter sets and service lines.

Do you have to file a 2023 AY RFI Return when there are changes?

Yes, to be compliant with legislation every individual or corporation who receives a 2023 AY RFI package **must** complete and return their 2023 AY RFI Return to the Assessment Services Branch by Tuesday, November 14, 2023. If the pre-populated information on the inventory excel file needs updated with additions, deletions, or changes, then update and submit the excel file. See page 3 of this document for instructions for completing your 2023 AY RFI return.

This request is in accordance with sections 292, 294, and 295(1) and (3) of the *Municipal Government Act* or parts 9-12 of The Lloydminster Charter.

My company has no changes to report on the 2023 AY RFI. Do I still have to file a 2023 AY RFI return?

Yes, to be compliant with the legislation. If the pre-populated information is correct and you have no additions, deletions, or changes, then submit the Declaration form with the excel file (Operator Info sheet only) as your 2023 AY RFI return to the Assessment Services Branch by Tuesday, November 14, 2023. See page 4 of this document for instructions for completing your 2023 AY RFI return.

What if my company has changes to the 2023 AY RFI?

If the pre-populated information is incorrect or otherwise deficient or inaccurate, please follow the instructions on page 4 of this document.

What are the consequences of not filing 2023 AY RFI return by November 14, 2023?

If the operator does not provide the requested information, the assessor must prepare the assessment using “any other source of information that the provincial assessor considers relevant, as of **October 31** of the year prior to the year in which the tax is imposed under Part 10 in respect of the “designated industrial property” section 292(2.1) (b) of the *Municipal Government Act*;

or

In accordance to parts 9-12 of The Lloydminster Charter, if the company does not provide the requested information, the assessor must prepare the assessment using whatever information is available about the designated industrial linear property.

The assessor must prepare the 2023 Tax Year Supplementary Assessment where applicable. Please see the “Supplementary Assessment for Designated Industrial Property” document included in this RFI communication package.

The operator may also lose the right to appeal to the Land and Property Rights Tribunal (formerly Municipal Government Board) in accordance with section 295(4) of the *Municipal Government Act* or parts 9-12 of The Lloydminster Charter.

Additionally, the assessor may apply to the courts to obtain the required information under section 296(1) of the *Municipal Government Act* or parts 9-12 of The Lloydminster Charter.

**Return your completed 2023 AY
RFI Declaration and Return by
Wednesday, November 14, 2023**

What happens after I file my 2023 AY RFI return?

The assessor will review your submission and may ask for additional information to clarify or support your 2023 AY RFI return. This information will be used to prepare your 2023 linear property assessment for property taxation in 2024 and where applicable, 2023 tax year supplementary assessment.

As previously mentioned, once we have received your 2023 RFI return, a review will determine those linear properties that are located in a municipality where a 2023 tax year supplementary assessment may be created. We will contact you either by email or phone on those linear properties will be part of the supplementary. Additional information may be required by the assessor. Please review “Supplementary Assessment for Designated Industrial Linear Property” document included in this communication package.

What do you include with your 2023 AY RFI return and what records do you keep?

Unless specifically requested in this 2023 AY RFI, documentation to support reported inventory details do not have to be filed with the 2023 AY RFI return. The operator should retain these supporting documents until at least December 31, 2026 in case the assessor requests them for verification of the 2023 AY RFI return.
