Group/Organization email address

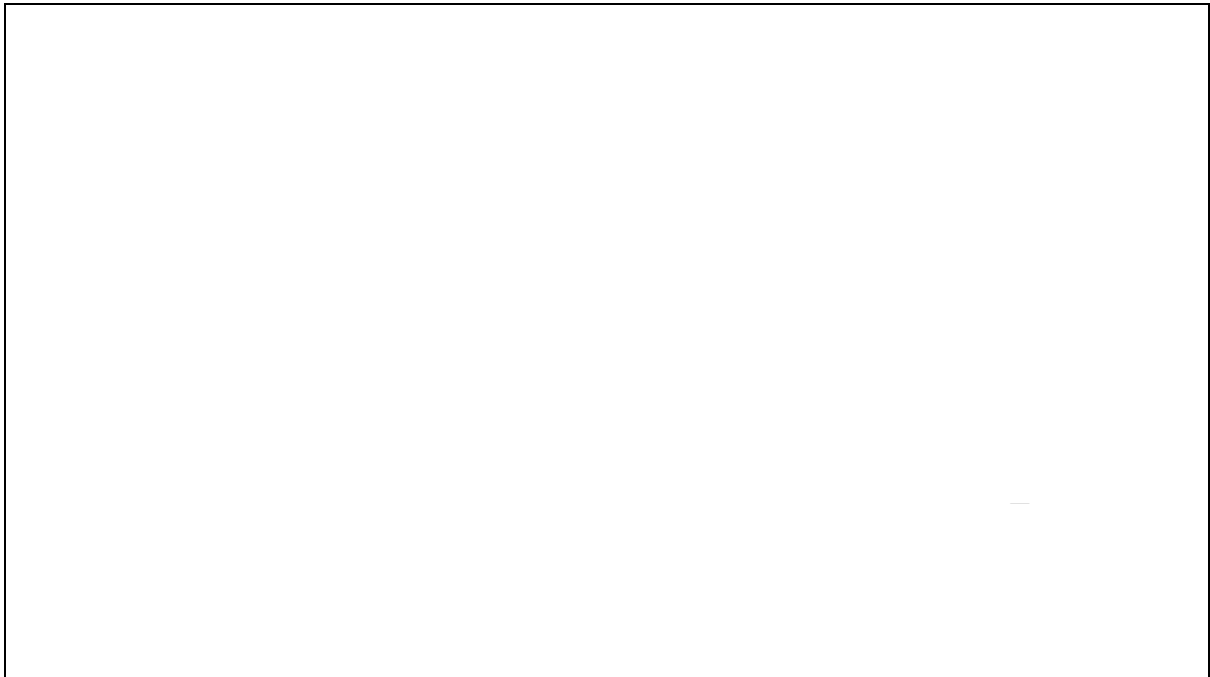

Group/Organization mailing address

Project Information/Training Plan

Project Completion

May 31, 2024

- Explain how the training increases the capability of Alberta’s search and rescue communities to respond to ground and inland searches.

A large, empty rectangular box with a thin black border, intended for the applicant to provide a detailed explanation of how the training increases the capability of Alberta's search and rescue communities to respond to ground and inland searches.

- Explain how the training enhances Alberta’s system for managing emergencies.

A large, empty rectangular box with a thin black border, intended for the applicant to provide a detailed explanation of how the training enhances Alberta's system for managing emergencies.

- **Explain how your GSAR group/organization will benefit from this proposed training.**

- **What is the benefit to the region? Who will benefit and how?**

Training Plan

When determining your training course start date, ensure you allow sufficient time after April 1, 2023, to have your signed Conditional Grant Agreement (CGA) in place prior to the start date of your training course.

| Name of Course/Training Requested | Total amount Requested | Proposed Training Start Date | Number of Students | Cost per Student |
