**NOTICE AND DEMAND FOR PAYMENT  
UNDER s.36 (4) SURFACE RIGHTS ACT**

<b>Board File No.:</b>	<b>RC2020.3000</b>
<b>Applicant:</b>	Municipal District of Taber
<b>Licensed Operator:</b>	SanLing Energy Ltd.
<b>Land Location:</b>	SE ¼-9-13-17-W4M (L.S. 2)
<b>Date of Original Agreement:</b>	November 7, 2002
<b>Current Compensation Rate:</b>	\$2,332.00
<b>Payments Missed:</b>	2020
<b>Total Amount Claimed:</b>	\$2,332.00

THIS IS A DEMAND to the Operator to pay the Applicant(s) the total amount of compensation outstanding and listed above. If this amount is not paid in full **within 30 days** the Tribunal may suspend and terminate the operator(s) access rights and direct the Minister to pay the unpaid amounts to the Applicants for the years claimed. Any payment made by the Minister will be a debt owing to the Crown and can be entered by the Crown against the operator(s) as a judgement of the Court of Queen's Bench.

The Land and Property Rights Tribunal (formerly Surface Rights Board) has received a completed application for unpaid compensation under section 36 of the Surface Rights Act (SRA) from the Applicant(s), and the details of the lands and the claim are listed in the Schedule attached.

You are receiving this demand because you have been identified as a Licencee or Working Interest Participant by the Alberta Energy Regulator and are therefore an operator under section 36(1) of the Act. Operators are responsible for making payments under a surface lease or compensation order. A completed Application with a signed declaration is evidence the Tribunal accepts to satisfactorily prove non-payment. You can request a copy of the application or tribunal searches by contacting Tribunal Administration.

**NOTICE:** If any future compensation becomes due for this site and is not paid, it may be considered by the Tribunal together with this Application **without further notice to you**. You may also be ordered to pay costs to the Applicant pursuant to section 39 of the Surface Rights Act.

If you have paid the compensation claimed you must provide evidence to the Tribunal and **a written response within 30 days from the date of this demand.**

[...]

**(4)** On receiving the evidence, if the Board considers that it satisfactorily proves the non-payment, the Board shall send a written notice to the operator demanding full payment.

**(5)** If the notice under subsection (4) is not complied with, the Board may, by written order served on the operator,

- (a) suspend the operator’s right to enter the site affected by the compensation order or lease, and
- (b) after giving the operator written notice of its intention to do so, terminate all the operator’s rights under the right of entry order or lease relating to the site that is subject to the claim under this section,

without affecting any of the operator’s obligations in regard to the site, including those under this section, or any other person’s rights as against the operator, and on the basis that the lease or compensation order remains in place for purposes of shutting-in, suspension, abandonment and reclamation of the site.

[...]

**(9)** Where the Minister pays money under subsection (6) or (7),

- (a) the amount paid and any expenses incurred, whether by the Crown or by a private agency, in collecting or attempting to collect the money owing, constitute a debt owing by the operator to the Crown, and
- (b) a written certificate issued by or on behalf of the Minister certifying the payment of the amounts referred to in clause (a), including expenses, may be entered as a judgment of the Court of Queen’s Bench for those amounts and enforced according to the ordinary procedure for enforcement of a judgment of that Court.
