## APS Minimum Recruitment Standards

---

<b>Subsidiary Agreement:</b>	006
<b>Effective Date:</b>	December, 2021
<b>Stream Definition:</b>	The work in this stream is focused on working with children and youth in care, typically in child and youth care centres. This is specialized work, applying psychological knowledge and theories to a variety of situations. Often the work is performed in multi-disciplinary teams to develop and implement care or treatment or behaviour support plans. Positions assess the level of risk individual clients pose to themselves, to others in the centre, and to the public. The goal of the work is to support the work in the specific program or centre, and is often focused on assessment, risk reduction, and on crisis intervention.
