

Sheriff, Security and Transport

APS Minimum Recruitment Standards

Subsidiary Agreement: 003

Effective Date: November, 2007

Stream Definition:

This work focuses on ensuring the safety of people, highways and property such as courthouses, government buildings and museums through investigative, monitoring and enforcement responsibilities. A broad range of work exists, including the enforcement of moving violations on commercial vehicles, highway traffic enforcement and traffic accident investigations, inmate transfers and security, system monitoring, dispatch services for sheriffs, executive and courthouse security, warrant apprehensions and assisting law enforcement agencies with surveillance activities. Highways are also monitored in regards to the carrier industry, enforcing legislation and maintenance for commercial vehicles or some vehicles operated by the general public, such as school buses. In a museum, positions ensure the proper conduct of visitors and that valuable collections, exhibits, furnishings, buildings and surrounding grounds and offsite premises are safeguarded from theft and damage.
