Technical Resource Centre Newsletter

March 19th, 2020 – Volume 15

**** Important update ****

The Technical Resource Centre (TRC) has relocated to the new Alberta.ca platform. It is very similar to the old site, with the largest change being formatted to the new corporate identity style. Almost all of the documents on the new site are still in the same organization as the old site.

The old TRC site (<http://www.infrastructure.alberta.ca/500.htm>) has been non-operational since February 1st, 2020.

Please update any links to pages and/or documents that you have to the new location. The new TRC site is located at <https://www.alberta.ca/infrastructure-technical-resources.aspx>

Any questions please contact Cam Munro at cam.munro@gov.ab.ca or 780-422-7456.
