

TO BE USED ONLY FOR PROJECTS IN REMOTE AREAS THAT MEET THE SPECIFIED CRITERIA

Amendment to Specification 1.2, General, Re: Mobilization and Demobilization

The second paragraph of Section 1.2, MOBILIZATION AND DEMOBILIZATION, is replaced with the following:

The Department will pay for Mobilization at the lump sum price bid by the Contractor for "Mobilization". This payment is compensation in full for all costs associated with Mobilization. No payment for Mobilization will be made until the value of the Work completed on bid items other than Mobilization and interim crushing and stockpiling aggregate exceeds 10% of the total tender price.

When the amount bid for Mobilization exceeds 10% of the original Total Tender amount, the Department will make an initial payment equal to 10% of the original Total Tender amount. The amount bid for Mobilization in excess of 10% and up to 20% of the original Total Tender amount, will be paid in equal payments prorated over the remaining number of months until the specified Construction Completion date. When the amount bid for Mobilization exceeds 20% of the original Total Tender amount, the Department will withhold the portion in excess of 20% of the original Total Tender until the date of Construction Completion.

Notes to the Designer (Not to be included in tender)

The project must meet all of the following criteria in order to be considered for use:

- Proximity to major centres: Project must be located outside of 400 km radius from Grande Prairie, Edmonton, Calgary and Medicine Hat.
- Project consists of Multi-Phase construction, i.e. Grading, Base/Paving or Base/Paving. All with or without a major bridge component.
- Minimum tender value greater than \$20M.
