Commercial Vehicle Certificate and Insurance Regulation – Section 26 Public Passenger Hazard Insurance

26(1) The registered owner of

- (a) a commercial vehicle for which an operating authority certificate is required or issued, or
- (b) a commercial vehicle operated as an airport transportation service, with or without compensation paid by passengers, by which passengers are transported,

(i) from one or more pick-up points to an airport and the only drop off point is the airport, or (ii) from an airport to one or more drop off points and the only pick-up point is the airport;

(c) a rented commercial vehicle that is used or intended to be used to transport passengers for compensation,

must not operate the vehicle unless the vehicle is covered by a policy of automobile insurance providing passenger hazard coverage in at least the following amounts:

- (d) \$400 000 for bodily injury or death of any one person as a result of any single accident;
- (e) if the manufacturer's seating capacity of the vehicle was originally designed for 10 passengers or fewer, including the driver, \$1 000 000 for bodily injury or death of 2 or more persons as a result of any single accident;
- (f) if the manufacturer's seating capacity of the vehicle was originally designed for carrying 11 passengers or more, including the driver, \$2 000 000 for bodily injury or death of 2 or more persons as a result of any single accident.
- (2) When requested to do so by the Registrar, the holder of an operating authority certificate issued in respect of a commercial vehicle must direct the insurer to file with the Registrar, as the case may be, evidence of the current policy referred to in subsection (1).
- (3) Nothing in this section effects the obligations of the person under the Insurance Act.
