

Class Size Reduction Grant

2026/27 school year allocations

Overview

The Class Size Reduction Grant is a targeted investment that supports school authorities in addressing class size pressures by funding additional classroom teachers where they are needed most. Alberta's government is investing \$200 million to reduce class sizes in Kindergarten to Grade 9 for the 2026/27 school year. The grant will support the hiring of more than 1,400 additional teachers across Alberta. Every public, separate, and francophone jurisdiction will receive an allocation.
