

Ukrainian National Multi-Subject Test (NMT) 2026

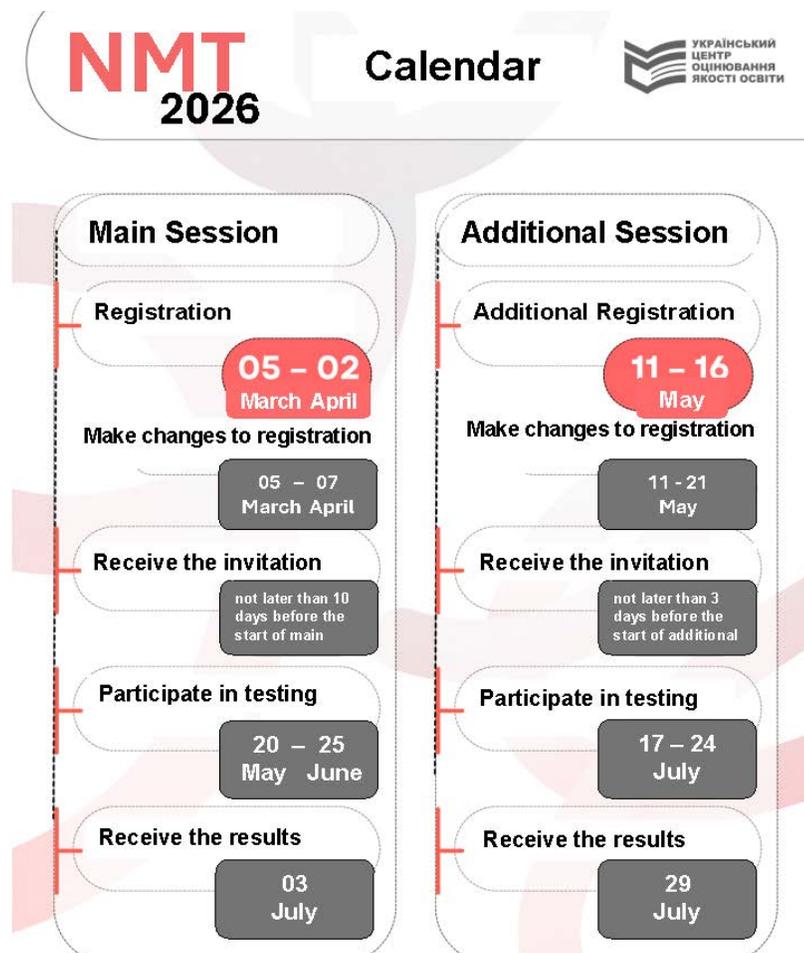

Available to Grade 11 and 12 students from Ukraine, the registration for the National Multi-Subject Test (NMT) is now open.

Registration dates: March 05 – April 02, 2026

To register for the exam:

- Students need to create a personal account on the Ukrainian government’s web portal
 - Select Canada for your NMT session location (there is a testing centre in Edmonton)
 - Upload all the required documents

The following infographic, which shows important dates and steps, is available on the Ukrainian government’s web portal.
