

Memorandum

Date: February 27, 2026

From: John Storey-Bishoff
Executive Director
Climate Regulation and Carbon Markets

To: Alberta Offset Stakeholders and Other Interested Parties

Subject: **Flagging of the Quantification Protocol for Aerobic Landfill Bioreactor, Version 2.0, September 2016**

The purpose of this Memorandum is to inform Alberta emission offset stakeholders that the Quantification Protocol for Aerobic Landfill Bioreactor, Version 2.0, September 2016 (the “protocol”) has been flagged for withdrawal and will accept comments on its proposed withdrawal for 30 days.

In accordance with the Standard for Greenhouse Gas Emission Offset Project Developers, Version 3.3, (the “standard”), Part 1, Section 6 and Part 2, Section 1.10, a quantification protocol may be withdrawn if there are no emission offset projects using the protocol.

As outlined in Part 1, section 4(6) of the standard, no emission offset project may be initiated or implemented under a flagged protocol without prior written authorization from the director.

For any questions or comments, please contact EPA.GHG@gov.ab.ca with the subject title Aerobic Landfill Bioreactor Feedback no later than March 30, 2026.

Sincerely,

John Storey-Bishoff
Executive Director
Climate Regulation and Carbon Markets
