
Notes:
These lands contain previously identified aggregate resources

The department will allocate by (a) tender (b) request for proposal or (c) any other approved means deemed necessary to ensure that the aggregate is used in an optimal manner.

All lands fall within unsurveyed territory.

Includes only Public Lands Administered by Forestry and Parks.

Excludes all statutory road allowances, registered, forestry and unregistered roads used as public roads.

Includes bed and shore of all permanent and naturally occurring water bodies and water courses.

Hydrography derived from Base Feature Data.
