

# How to access the Alberta Geospatial Services Platform (AGSP) Portal

To access the Alberta Geospatial Services Platform you will require a verified [MyAlberta Digital ID for Business](#) account (recommended) or a personal [MyAlberta Digital ID](#) account (not available for clients outside of Alberta).

Go to the [Alberta Geospatial Services Platform \(AGSP\) Portal](#) and **click** on the “Sign In” button.

**Click** the blue “Alberta Geospatial Services” button.

Then **Click** “MyAlberta Digital ID for Business” or “MyAlberta Digital ID” button.

**Enter** your “MyAlberta Digital ID for Business” or “MyAlberta Digital ID” username and password. Once signed in, you will be redirected back to the AGSP Portal.
