

2026 Host Profile for Municipal District of Smoky River No.130

[Municipal District of Smoky River No.130](#)

Community

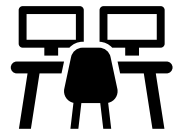

The MD of Smoky River offers a welcoming rural lifestyle with affordable housing and strong community spirit. Located in northwestern Alberta, it features essential services, schools, healthcare, and recreational facilities including an arena, outdoor pool, outdoor sports courts, indoor sports, ski hill etc. Enjoy outdoor activities such as golfing, fishing, hiking, and winter sports such as skiing, snowboarding and outdoor rinks. The office is located in the Town of Falher and has all amenities required for comfortable living.

Municipal Projects

One major project on our radar is a privacy master plan. With legislation changes from FOIP to ATIA and POPA, we want to create a master plan. We have discussed the requirement for a record management project for a few years but despite best efforts, haven't achieved that one yet. We will be working on a Strategic Plan that the intern will be involved in as well.

Workplace

"I love working for the MD of Smoky River because it feels like family. Every day is different- you get to tackle meaningful projects that truly impact the community. The team is supportive and it's rewarding to know your work matters."

The MD of Smoky River is a welcoming francophone community offering a slower-paced lifestyle and strong sense of belonging. Many residents enjoy the outdoors with our riverbank landscape and vast fields. Website showcasing MD of Smoky River attractions:
