Alberta

Application for Fire Rescue Certification
Individuals Only

Submit the completed application along with all required prerequisite documentation to ma.certexam@gov.ab.ca.

Once the application is approved, you will be contacted to provide payment for the certificates. Once payment has been received, the electronic certificates will be issued in your learner profile (Noverant) within 10 business days.

To ensure all fields within the form are functional, please download and open on your desktop

Application Information

- Evaluations completed prior to 2016 are not eligible for certification

- Cost for each certificate is $30.00 (includes Pro Board and IFSAC, if applicable)

- You are responsible for ensuring all required prerequisites have been met as outlined in the NFPA Certification Prerequisites

- All prerequisites not available in your learner profile (Noverant) must be provided with the application submission (e.g medical qualifications, out-of-province certificates)

- Certificates are issued electronically in your learner's profile (Noverant)
