

Highway 8 Eastbound Elbow River Bridge

Upcoming Traffic Impacts, Westbound Traffic Switch

Beginning the week of July 20, 2026, westbound traffic will be moved onto the new westbound lane as improvements to Highway 8 continue. Eastbound traffic will remain in its current configuration. Temporary traffic signals will be implemented, and detour guidelines will be communicated through onsite signage.

What to expect

Traffic Impacts

During construction, traffic impacts will be communicated through onsite signage, and on-site personnel as needed.

Work Hours

When possible, work will occur during daylight hours from Monday – Saturday to reduce overall public impact; some work may extend into the evening if required. The contractor is permitted to work 24/7 when nighttime and weekend activities are required.

Traffic Control Personnel

Traffic control personnel will be present as needed to direct the flow of traffic, and onsite conditions will continue to change over the course of this work. Please be mindful of changing conditions and obey site personnel and signage.

Parking

This area remains an active construction site with heavy machinery and workers present. Drivers are reminded to follow traffic signage within construction limits. Parking is not permitted along the highway or within construction limits. Access to limited public parking for Clearwater Park is available at the end of Range Road 25 / Clearwater Drive. For questions about park access or parking for Clearwater Park please contact the City of Calgary by calling 311.
