**** Important update **** **Correction to Procurement contact information**

IMPLEMENTATION OF DIGITAL AUTHENTICATION FOR ELECTRONIC SUBMISSION OF ARCHITECTURAL AND ENGINEERING DOCUMENTS

Infrastructure is gradually moving towards electronic submission of all documents with digital authentication. The authentication of architectural and engineering documents submitted by Consultants will be accepted to Infrastructure under the following timelines:

- Before January 01, 2022, Consultants may choose to submit architectural and engineering sealed documents to Infrastructure using the current approach or submit in electronic format with digital authentication.
- Starting January 01, 2022, Consultants are required to submit all architectural and engineering sealed documents to Infrastructure only in electronic format with digital authentication.

More information can be found at Alberta Infrastructure Standards for Consultant Deliverables (<https://www.alberta.ca/assets/documents/tr/tr-consultantdeliverables.pdf>)
